BENEFIT

ERGONOMICAL WIRE CUTTING SOLUTION

Light weight

Weighting at only 2.8 kg, the lightweight of the tool allows for a one-handed-operation.

Cordless system

With no cords attached, operators are given the freedom to work more flexibly on various applications.

Safe mechanism

The trigger is pull-sensitive, allowing operators to stop the blade in mid-cut. The trigger also has a trigger-lock function for safe handling when not in use.
